SICK CALLS AND VISITS

Please inform the rectory if a relative would like a Communion visit during their stay at a hospital, rehab, or nursing home. You are *not* imposing! Please call the rectory to have Msgr. Darcy visit them.

Pastor's Corner

The liturgical year has returned to Ordinary Time until the end of November. The Scriptures will concentrate primarily on the teaching and parables of the Lord. Scripture scholars have used barrels of ink discussing the parables: What are they? Where do they originate? And, why did Jesus use them? A few comments over the next few weeks will highlight these questions.

To begin, a parable (from the Greek *parabole*, and the Hebrew *mashal*) is generally a single comparison or situation taken from our lived experience that captures the imagination of the listener and forces them to come to a conclusion. Today we hear two "parables of the kingdom." Both have to do with seeds. Seeds grow seemingly on their own and from within. Something so very small is transformed into something quite large. The impact of a parable is not getting bogged down in the details, but identifying the single point being compared. Our present spiritual life influences our listening to the parables...and our conclusion.

We have heard these parables many times. The readings at Masses have a three year cycle. The last time we heard these parables was in 2009. I certainly hope we have in a different and closer relationship with God than we did in 2009.

The parables are read throughout the summer months. Jesus originally taught many of them near the Sea of the Galilee where he lived. The Galilee is still the most fertile, agricultural, and beautiful section of the Holy Land. The area is just conducive to rest and contemplation. And speaking of rest...

Schools are closing, and the exodus from the city has begun. Many will enjoy a more laid back schedule. Be safe and prayerful. Remember the parish and our needs during this summer time. Our parish stewardship does not go on vacation or have a respite.

Have a good week!
Monsignor Darcy

CHARITABLE GIVING

Ordinary expenses continue even in the lazy summer months. Please, don't forget the parish if you are fortunate to relocate for the summer. The easiest way is through electronic giving. It helps stabilize our budget. Monsignor and others use it for their donations; it's easy, convenient, and safe. Take a serious look at it at: www.Parishgiving.org or call the rectory for more information.

This Father's Day create a memorial fund in memory of your father. Parishioners may establish an ongoing fund that can be added to each year or create one with a one-time gift. Your gift will create an endowment for our parish that will carry on benefits for generations in honor of your father. Call the rectory for more information

Join the Dominican community at St. Pius V (Providence) for the first installment of our summer Faith and Culture lecture series.
